ESCAPE FROM ADVENTURES

Mythology of the Japanese

If The Voice Raches

Emiko Tada

It takes me to say that all the Middle English changes – there were more. Emiko-san was kind enough to translate. I made a decision during translating to make Emiko sound more – formal.

And, he's speaking VERY formally and rather – slowly in Japanese, so – I was trying to think of a way to make it sound formal, but didn't want to startle it.

I hope I succeeded.

2005 – my mission with that is my first story.

That Emiko was did an excellent job, didn't she? ~~2005~~ 2005.

Special thanks to Kiyohiko for making this release possible. She's like the 2005 Emperor of Light. Seriously, she knows EVERYTHING. (I'm sure – I'd be as lost as I was last year.)

Now, please enjoy If The Voice Raches!

Legislation like our selling but not our translation. Everything else, please to the copyright. Please support the copyright by purchasing this edition. Thank!

This ghost
called Zengo or
something

When I'm at home eating,
he sits right next to me.

How truly old
looks like him though.
Is that strange?

When I'm fighting, he
jumps in,
looking way
too happy

I don't think
you're as
strong.

When I'm
at school,
he's at
school.

When I'm in bed,
he's by my pillow,
talking about himself.

I came
from a poor
household.

I had
some
dreams.

When the
score can be
switched, I

So
they fall
asleep?

He's constantly talking
about something all night long
But I don't really hate it

Shouto-
Dono...

Because his
voice feels really
nice

Ah
he
touched
me

When it comes to me, Zengo is
unnecessarily kind

the fifth
child, so
Zengo?

I got it,
Zengo

if it don't
have any meaning,
I wouldn't have
held it

well, you
were talking,
weren't you?

you
listened to
all of it?

what
is this?

oh, no
I beg thee
to excuse my
behavior!

believe

Am I
going
nuts?

I usually wouldn't lose,
but I have a fever

**B

E**

**SHOUTA-
DONO!**

I hate kindness and
being worried about

What?

Sh?

But I just
heard a
really loud
noise...

Zango's
hand?

ALL OF
THEM
...

WHOOSH

WHA

?!
WAS
THAT?

UWAA

AAA!!

SNAP

HOW
DARE THEE
DAY AFTER
DAY!!

Zengo,
you...

They can see
you clearly,
can't they?

THEY'RE FOR
THE
PUNISHMENT
I WILL SHOW
THEM THE TRUE
MEANING OF
THE DAY!!

USING WEAPONS
AGAINST AN
UNARMED MAN
IS BEYOND
COWARDLY!!

Again

MMA

It seems
that only thou
canst touch
me.

And
I am useless
while thou art
recovering...

It's fine

I took
some medicine.
I'll sleep and get
better really
soon

I, who had never
thought about standing
up, stood up

"Come
here"

"It ran
away"

Flirting
near there, I could
realize it was not
me that was
crying

"Ah"

What's
with that
reaction?

then and once,
it was the only
time I have seen
thee laugh.

then thou
dost begin to
behave most
disobedfully,
hatefully.

the truth is,
as to why thou
canst see me,
I believe it is...

...for two states,
even though I am
dead, I have been
taking notes and I
have learned a
lot about thee.

I thought
with thy grand-
mother, our
well...

In thy
Right
before.

I had the
impression
of that
person.

HA
HA
HA

I figured
it would be
something
like that.

I guess
it was
intuition.

If this then,
it is a simple
thing

when thou
canst see me, I am
thinking strongly
of thee

perhaps
that is what
started it...

I think it might
be that I yearn
for thee

with that
confusion and
of seeing it,
I don't get
what you
could?

I might
have known
a bit

Ah...

I might
be a little
hurry

Are you
trying to say
you like me or
something?

YES!

I might
have been, like
you said,
lately!

If you
stayed with me
always... that would
be the best.

Yoshinori!

do they
not hate
it?

do they
forget they do
know what's
in my
head?

He shows
himself for
my sake

I do not know
how long I cannot show
myself like this

Before it
took all of my
power to let other
people see me

I do not know
if thou wilt
be able to
see me at
the moment

He gets
hurt for
me

grip

He's
dead, but
he's still
in pain

As a
ghost,
for me...

I want to
remember
this

I beg thee,
tell me
but one
thing...

I
forget
you

yes, when
I cannot touch thee
like this...

I forgot
you

is it
okay,
now?

My fever
just got
higher

ugh

I know

I DO NOT
KNOW ANY
REASON
WHY YOU
SHOULD BE
LAUGHING
AT A TIME
LIKE THIS!

TUG

It was tight
and painful, I
thought I would
die, but...

If it's for
Zengo, it's
really
alright

Tomorrow...

I want to see you

The End
